

The Township of Sioux Narrows-Nestor Falls Community Newsletter July 2025

Zero Tolerance

During this busy season, we are seeing a rise in intimidating, aggressive and harassing behaviour towards staff, other residents and customers, at various municipal facilities and businesses.

Words or actions that make others feel threatened or demeaned or intimidated will not be tolerated and decisive action will be taken. Due to the actions of others, staff should not fear going to or being at their place of work. Due to the actions of others, residents and customers should not feel discouraged from or fear accessing municipal services.

Immediate action will be taken when incidents described above occur. Individual(s) may be asked to leave, the police may be called, or the individual(s) may face temporary or permanent restrictions from accessing municipal premises.

The Township of Sioux Narrows - Nestor Falls is committed to providing a safe, secure and respectful environment for all staff, residents and customers.

Reminder - Landfill Permits

Landfill Permits, or landfill access cards, are required to access the municipal landfill sites. They renew annually. They identify property owners and residents as authorized users to the Landfill Attendants and Municipal Personnel. If you are asked for your permit, please kindly present it to the Attendant/Staff Person.

This is not a new provision and these permits have been in place for many years. There is signage in place at the sites that provides notification of this and we publish this requirement regularly. If you don't have one, please visit your nearest municipal office location. The municipal office personnel will validate you as a property owner/resident and provide you with a card.

Reminder - Landfill Fees

As a reminder, there are fees in place for a number of items, including construction debris and refrigeration devices (such as fridges, freezers, air conditioners).

If you wish to bring these items to the Landfill Sites, please visit your nearest municipal office location to arrange payment. If you don't have a prepaid ticket from the municipal office, you may be respectfully turned away at the site.
