No Discharge of Firearm Zones

With hunting season fast underway, did you know there are three No Discharge of Weapons Zones within Sioux Narrows-Nestor Falls?

The three zones include: the former township of Sioux Narrows, which includes the land and water north to Long Bay, south to Russell Island, west to Hayter Peninsula and east to Whitefish Bay First Nation. The other zone surrounds Nestor Falls from Bass Lake in the north, Boreal Trail in the south, much of Sabaskong Bay in the west and the western portion of Kakabikitchiwan Lake. The third area is known as the Gibi Lake subdivision, which encompasses the southwest corner of the lake.
If you are found to be in violation of these bylaws, it carries a $255 fine.
