In Touch

Seeing it's Tax Time again for Canadians – I thought I would remind everyone this month to be cautious of scammers. Police regularly receive calls from concerned residents in regards to telephone or computer scams. Scammers say that they are from Microsoft, or the most recent complaints are in regards to scammers calling stating that they are from Revenue Canada. These scammers request personal information including credit card, or banking information. The scammers from Microsoft may send an e-mail indicating that your computer was infected with a virus, and ask you to click on a link so they can remotely access your computer to fix it.

Revenue Canada will never ask for personal information over the telephone, or in an email. Computer users are reminded, that unless you initiate the call, do not allow anyone access to your computer. Don't give out personal, banking or credit card information to anyone unless you are sure of whom you are dealing with. Change your passwords frequently as well. Reputable agencies will not ask for this information unless you have initiated the call.

Tips to protect yourself:

- Never download anti-virus software from a pop-up or link sent to you through an e-mail.
- Update your anti-virus software often and scan your computer for viruses regularly.
- Don't click on links or attachments in e-mails sent to you by someone you don't know.
- Turn on your browser's pop-up blocking feature.
- Never click on a pop up that claims your computer has a virus.

If you received any call from someone indicating that they are calling from Microsoft or Revenue Canada, please contact your local police service and the Canadian Anti-Fraud Centre at 1-888-495-8501 or <http://www.antifraudcentre.ca>.

Municipal Musings - What Can You Do ?

It is time to put your thinking cap on and contemplate whether or not you would be the ideal candidate for mayor or councillor in the Township of Sioux Narrows - Nestor Falls. It is an election year and residents will be asked to elect mayor and council for the 2018-2022 term.

The questions to be answered are: can you have a positive impact on our municipality and are you willing and able to donate your time to make our township a better place for all? Visionary people, with passion and energy, can create vibrant communities. Communities such as ours must constantly reinvent ourselves to fill the void left by the changing environment. These changes are the result of either economic, political or social influences. Councils that challenge these changes, find new ways of surviving and thriving in a rapidly changing environment. It is time to move the wisdom from the coffee table to the council table. It was Jim Sincere who coined the phrase "In order to kick butt, you must first lift up your foot." YOU can do it.

Dates to Remember. Nomination papers must be filed during the period of May 1 to July 27 (no later than 2:00 P.M). The filing fees that must accompany a nomination are \$200 for mayor and \$100 for councillors. Election day is October 22nd. Voting is by mail. Ballots may also be dropped off at the municipal office between 10:00 A.M. and 8:00 P.M. on election day. YOU can be a game changer.

Respectfully submitted,
Jerry O'Leary
Mayor
