From the Desk of Jeff Port.....

Are You Thinking of Renting Your Cottage This Summer?

More than ever, cottage owners across Ontario and Canada are using web based services such as Airbnb and VRBO to generate additional revenue from their cottage investment. However, there are several factors to consider when renting your cottage. You will need to factor in the accounting, taxation and insurance implications of cottage rentals, as well as ensuring you are in compliance with all local by-laws. In Sioux Narrows-Nestor Falls, if you are renting your cottage for financial gain, you will need an amendment to the zoning by-law to permit the commercial use of your property. Applications forms to permit cottage rentals are available at the Town Office. Please see or call Jeff Port for details. 807-226-5241 x 203 or jport@snnf.ca

It is the time of year for increased incidents of Tax Scams

The OPP and the Canadian Anti-Fraud Centre (CAFC) continues to receive reports of emails, text messages and telephone calls related to tax scams. Tax scams can involve the following:

1. Fraudsters are calling consumers impersonating the Canada Revenue Agency (CRA) and claiming that a recent audit has identified discrepancies from past filed taxes. Repayment is required immediately. Fraudsters threaten consumers that failure to pay will result in additional fees, jail time and/or deportation. Fraudsters may request payment via money service business, pre-paid cards / gift cards (iTunes) or bitcoin.
2. Consumers receive an email or text message indicating a refund is pending from the CRA. The email includes a link that directs consumers to a website that looks like the actual CRA. Consumers are asked to fill in their personal information such as Social Insurance Number (SIN), Date of Birth (DOB) and banking information before receiving the refund (email money transfer). Victims who input their personal information are subject to identity fraud. No refund is ever issued.

Warning Signs – How to Protect Yourself

- in most cases, the CRA will use registered mail to contact consumers – not email or phone.
 - contact the CRA directly to confirm you owe back taxes or are entitled to a refund.
 - never provide personal information over the telephone, by text or email.
 - the CRA would never request payment by money service business, iTunes gift cards or bitcoin.
 - if you've shared personal information, contact Equifax and Trans Union to place fraud alerts on your account.
 - if you've shared banking information with the scammers, contact your financial institution to place alerts on your account.
 - for more information about frauds involving the CRA, visit:

- If you think you or someone you know has been a victim of fraud, please contact the Canadian Anti-Fraud Centre at 1-888-495-8501 or report online at <http://www.antifraudcentre.ca>
