Admission by Donation

#### **Sioux Narrows-Nestor Falls Hiking Trail Update**

The ticks are going away, and mosquitoes are finally starting to slow down. It's a good time to get back on the trails! All trails in the Township are passable except for the Caliper Beaver Pond trail, which is currently closed. Phase 1 maintenance and weed whipping have been done on the Sioux Narrows trails. Nestor Falls trails will have maintenance projects launching soon. Please don't use motorized vehicles on the trails. For more information, or to join the trail volunteers, email [trails@snnf.ca](mailto:trails@snnf.ca) or visit [www.snnf.ca/trails](http://www.snnf.ca/trails).

Scan this QR code for up-to-date conditions, directions, maps, and more.

Happy Trails! -Timothy Warner,

Trail Development Coordinator for the Township of Sioux Narrows-Nestor Falls.

#### **Sioux Narrows Steelman: Aqua Bike Ironman Adventure**

Saturday, August 26th, 2023 &  
Sunday, August 27th, 2023

## The Township of Sioux Narrows-Nestor Falls Community Newsletter August 2023

### **Public Notice: Keeping Chickens is not Permitted in Residential Areas of the Community**

The Township of Sioux Narrows-Nestor Falls has recently received a number of complaints regarding residents keeping chickens on their property. It should be noted that the keeping of livestock, more specifically chickens, is not permitted in residential areas.

While raising and keeping chickens may be considered as a permitted use, on a limited basis, in the future, it has not yet gone through the public consultation process, or received Council approval.

We ask residents to refrain from keeping chickens on their property as they have become a nuisance in some areas of the community. Anyone wishing to receive approval for keeping chickens must first receive a variance from the zoning by-law. The minor variance approval process involves notifying all of the abutting neighbours to ensure there are no objections.

We thank all residents for their understanding and patience in this matter. If you require additional information, or clarification on how to make an application for a minor variance for the keeping of chickens, please contact Jeff Port at 807-464-1481, or [jport@snnf.ca](mailto:jport@snnf.ca)

### **Lake of the Woods Chapel United Church**
