Lake of the Woods Chapel United Church

It's Advent.....the time of preparation for welcoming the birth of Jesus our Saviour into the world... .Christmas!
All services at the church this month will be at 2:30 in the afternoon. A candle will be lit each Sunday to proclaim hope, peace, joy, and love....the gifts that accompany Jesus' birth. Your presence is welcomed.
Also, please take a moment in your travels to notice the Nativity Scene highlighted at the front of the church, and the stained glass windows at the side of the church which have been lighted to share their beauty at this dark time of the year.

Merry Christmas to all!

10-DIGIT DIALING

On **January 15, 2024 10-digit dialing will be mandatory**: residents and businesses need to dial the area code followed by the 7-digit number for all local calls. If the 10-digit number is not dialed, the call will not be completed.

How to prepare for 10-digit dialing

Residents will need to add their area code to programmed numbers in all of their communications devices and equipment (including phones, auto dialers, computers and lifeline equipment) and verify that their alarm systems are compatible with local 10-digit dialing.
