Sioux Narrows-Nestor Falls Fire & Rescue Services  
Community Safety Reminder

When you spot smoke, fire, a vehicle accident, or any potential emergency, ALWAYS call 911 immediately. Reaching out to our firefighters directly can delay critical response times. 911 ensures your emergency is prioritized, and the right resources are sent as quickly as possible.

Also, when you see a firefighter driving with a flashing **green light and/or 4r -way hazards** on, they are responding to the fire hall or an emergency. Please slow down and move over when it's safe to do so to help them get there quickly and safely.

Your quick action makes a difference. Let's work together to keep our community safe!

The SNNF Fire & Rescue Services wishes you a very Happy and Safe Holiday Season!

*Wishing everyone a very Merry Christmas and a Happy New Year!*  
*Mayor, Council and Staff*
