Tourism Revenue Opportunities Community Feedback/Information Sessions:

Please join us for 2 feedback/information sessions as we investigate opportunities to increase tourism and economic development revenue at the municipality.

There are a variety of ways that this can be accomplished including, but not limited to, the establishment of Business Improvement Area, or Municipal Accommodation Levies. This is being explored as part of the implementation of the Townships Community Economic Development Strategy.

The information sessions are being held on Wednesday July 17 at 10:00 a.m. in the Nestor Falls Municipal Office/Library and July 17 at 2:30 p.m. at the Sioux Narrows Community Centre.
