Community Newsletter July 2022

Be Kind. Be Patient. Be Understanding.

As an All Nations Health Partner, the Township of Sioux Narrows – Nestor Falls endorses the #ANHPBeKind campaign to encourage everyone to be kind, be patient and be understanding.

Everyone is exhausted from the pandemic. And everyone is grappling with the strain as a result of health, social and economic hardships, whether a health care worker, municipal worker, police officer, customer service representative, mail carrier, small business owner, retail cashier or otherwise. No one should go to work fearing what the day may bring or be dehumanized.

In small communities, we are all neighbours, friends and family. Everyone, including our own teams and personnel, please consider kindness, patience and understanding.
