Tourism Revenue opportunities Community feedback/Information sessions:

Please join us for 2 feedback/information sessions as we investigate opportunities to increase tourism and economic development revenue at the municipality.

There are a variety of ways that this can be accomplished including, but not limited to, the establishment of Business Improvement Area, or Municipal Accommodation Levies. This is being explored as part of the implementation of the Townships Community Economic Development Strategy.

The information sessions are being held on Wednesday July 17 at 10:00 a.m. in the Nestor Falls Municipal Office/Library and July 17 at 2:30 p.m. at the Sioux Narrows Community Centre. For more information please contact: Heather Gropp, Community Development Officer

Pie Night was very successful with over 50 people enjoying an opportunity to connect with each other while enjoying a piece of pie. A big smile of appreciation to all who donated pies...rhubarb, raisin, lemon, lemon meringue, coconut cream, abc (apple, blueberry, cherry), and pecan, were some of the varieties available. It was a yummy event!

Everyone is welcome....looking forward to seeing you!
