**JUNE BUGS**

Deliver your insect to the Sioux Narrows Art Gallery in June. Create your insect from any medium. Bug artwork must be no larger than 5"x7" and no smaller than 2"x2". All bug art will remain in the summer gallery as part of the Sioux Narrows 2023 Community Art Project. Include your name, your town and the title of your work with your entry.

**LIVING THE LAKE LIFE**  
**PHOTO CONTEST**

**SHOW US HOW YOU LIVE YOUR  
BEST LAKE LIFE THIS SUMMER  
FOR A CHANCE TO WIN 1 OF 3  
LAKE INSPIRED PRIZES**

We are looking for photos that show what living the lake life entails and highlights our community members actively living the lake life in our community. Please see contest rules at [www.snnf.ca/township/public\\_notices](http://www.snnf.ca/township/public_notices).

Smoke and CO Alarms

Smoke alarms are one of the easiest and most effective ways to detect fires early which saves lives and structures. It is the law for all Ontario homes to have a working smoke alarm on every storey including basements and crawlspaces where necessary and outside all sleeping areas. This covers single family, semi-detached and town homes, whether owner-occupied or rented.

Abide by the law, to learn more, visit website: [Ontario.ca/fire-safety-home](http://Ontario.ca/fire-safety-home)

Important information to note about smoke detectors is:

1. There should be at least one on every storey of a multi storey house including basements or crawlspaces.
2. There should be one in every bedroom.
3. There should be one between bedrooms and the rest of the house.
4. They should be located near the ceiling.
5. Change the batteries when you change your clocks in the spring and fall.
6. Dust can clog an alarm so gently vacuum them every 6 months.
7. They do wear out so replace them every 10 years.

If you or someone you know is in need of a smoke alarm, we will be happy to provide you one.

Any questions or concerns,

Please contact the Fire Chief: Mike Kakeaway
