In Touch with Constable Karen

Watch for suspicious people or activity in your neighbourhood. Have a trusted neighbour keep an eye out while you plan to be away. Do not announce your absence over social media.

- Deter potential criminals. Ensure outside lights work and consider motion sensor lighting.
- Lock doors and windows, even if you're going out for a short time. Install quality locks and a deadbolt on each outside door.
- Prevent break and enters. Keep garage doors and entry doors secured.
- Avoid access by intruders.

Lock your vehicles at all times. Remove or secure valuables out of sight, even when in the garage.

- Store bicycles in garages and sheds.
- Keep all valuables in the home in secure locations. Consider recording serial numbers and taking photos of personal property for documentation purposes.
- Trees, shrubs and fences create hiding spots for criminals. Keep your landscaping groomed and limit privacy fencing.
- If you're going to be away, keep the grass cut or driveway shovelled. Do not let newspapers or mail accumulate.

Sioux Narrows-Nestor Falls Fire Department

It is a great privilege to announce that your Sioux Narrows-Nestor Falls Fire Department is now a Composite Department, comprised of hard working volunteers and guided by a Fire Chief who will be working full-time for the next 6 months on an intense, council approved work-plan. Where the future leads after that we are not exactly sure, but we know that we will be able to cover some major ground between now and then.

I have been the volunteer Fire Chief since 2015 for SNNF and have only begun to lightly scratch the surface of the many issues our small department faces.

A long list of action items are laid out, among them: strengthening our firefighter training program, reviewing our mutual aid agreements with our neighbours and strengthening those relationships, and providing professional public education, prevention and as a last resort effective emergency response.

Looking forward to the days and months that are ahead!

Regards,

Tyrell Griffith
Fire Chief / CEMC
