So nice to see this spring weather! A glorious time of the year! It's also the month when we change our Sunday service times to 7:00 p.m. to accommodate all of you who like to fish through the daytime hours. The change occurs on May 19th and continues into September. The first two services of May are still at 2:30 p.m. with our minister, Pat Chabluk, leading worship. A heads up...our annual **Pie Night** is scheduled for Wednesday, June 12th. Mark your calendars with these changes! We look forward to your presence.
