BATTERIES!

Sioux Narrows-Nestor Falls Fire Rescue Services

We would like to remind everyone to change their clocks back one hour at 2:00 a.m. on Sunday, November 3, 2024.

Chief Mike Kakeeway is also recommending residents to install new batteries in their smoke alarms and carbon monoxide detectors when you are changing your clocks.

Working smoke alarms are required on every story of the home and outside all sleeping areas. For added protection, it is recommended to also install smoke alarms inside all bedrooms.

Carbon monoxide alarms must be installed outside all sleeping areas if your home has a fuel-burning appliance, fireplace or attached garage.
